

PHOENIX DIVE CLUB ADDITIONAL MINOR ATHLETE ABUSE PREVENTION POLICIES

Effective Date: January 1, 2022

Introduction

Phoenix Dive Club is committed to building a sport community where athletes can learn in an atmosphere free of emotional, physical, and sexual misconduct. Phoenix Dive Club participants, parents/guardians, staff, and coaches are required to follow the USA Diving Minor Athlete Abuse Prevention Policies (USAD MAAPP) which is posted on our website under "Athlete Safety".

In addition to the USA Diving MAAPP, the following is effective for Phoenix Dive Club members and volunteers on January 1, 2022:

A. Policy: Parent/Guardian and Minor Athlete Training

1. We highly encourage our parents/guardians and minor athletes to receive designated SafeSport Training provided [here](#).

B. Policy: Private Lessons/Individual Training Sessions

1. Phoenix Dive Club does offer private lessons or individual training sessions. In the absence of anyone at the pool during a private lesson, a parent or guardian must be present for the entire session.

C. Policy: Athletic Training Modalities, Massages, and Rubdowns

1. The provider should narrate the steps in the massage, rubdown, or athletic training modality before taking them, seeking assent of the Minor Athlete throughout the process.
2. When possible, techniques should be used to reduce physical touch of Minor Athletes.
3. Only licensed providers should administer a massage, rubdown, or athletic training modality.
4. Coaches and staff, regardless of whether they are licensed massage therapists, should not massage Minor Athletes.

D. Policy: Lodging

1. Competition travel and logistics also do not fall under the purview of Phoenix Dive Club administration. Phoenix Dive Club does not authorize, require, recommend, or fund lodging requirements. Arrival and departure dates and times, daily training and competition times will be provided as dictated by the competition administration.

E. Policy: Communication

1. Meet communication will be conducted via email.
2. Electric communication will be conducted within reasonable hours per situation.

I acknowledge having received and read the Phoenix Dive Club MAAPP and being provided the opportunity to review and read the USAD MAAPP by Phoenix Dive Club representatives. I understand the USAD MAAPP and Phoenix Dive Club MAAPP are available on the Phoenix Dive Club website under "Athlete Safety". I also understand that any questions regarding either MAAPP can be directed to Phoenix Dive Club Head Coach, Frank Pipitone.
