

**Student:** \_\_\_\_\_

**Date:** \_\_\_\_\_

**School:** \_\_\_\_\_

Phoenix Diving Club advocates an acceptable standard of academic performance with our athletes. As such, 4 times per year, we ask our student-athletes to turn in progress reports. Our Code of Conduct reads:

- *Grade checks will be submitted to the Head Coach on October 15th, December 15th, February 15th, and April 15th. Participation may be restricted if a student is having difficulty in school. The Head Coach maintains discretion over program participation in the event of substandard academic performance. In general, the following guidelines will apply:*
  - *Suspension of training and competition privileges will result if:*
    - *A student has a failing or incomplete grade reported on his or her grade check form; or,*
    - *A student has 2 or more grades of "D" on his or her grade check form.*
  - *If a parent, teacher, or coach has a concern over a student's academic performance. A meeting will take place to determine the best possible course of action.*

Teachers: Please complete. Thank you.
